'The Trevor Nelson Collection' takes No.1 spot!

'The Trevor Nelson Collection', the new compilation album from award winning DJ Trevor Nelson, released on Jan 14th this year, has reached **number one** on the UK Compilation Chart knocking the mighty 'Now That's What I Call Music 83' off the top spot.

Arguably the most trusted voice for the UK's fans of R&B, Nelson is the only DJ in the country to have shows across BBC Radio 1, 1Xtra and Radio 2. Having carefully curated this overview of three decades of R&B club classics into 3CDs of hits, Nelson brings together some of his favorite current and legendary artists, from the late '70s through to the present day.

"It was a lot of fun putting together a collection of some of the R&B highlights of the last 30 years. There's a lot to choose from but hopefully there's a few defining moments here for fans to enjoy, all in one place!"

'The Trevor Nelson Collection' features a plethora of Top 10 hits that perfectly encapsulate everything R&B, from major artists including **R. Kelly, En Vogue, Toni Braxton, Donell Jones** and **Usher**. These artists sit next to established megastars such as **Luther Vandross** and the legend that is **Michael Jackson**; who aptly opens the set with the incredible '**Rock With You**'.

From the '80s there is **Soul II Soul, Cameo,** and **Alexander O'Neal** with '**Criticize**', continuing with massive cross-over hits from the '90s courtesy of **Blackstreet, Montell Jordan, Aaliyah, Mary J. Blige, TLC, SWV, Mariah Carey** and the UK's **Mark Morrison** with the huge '**Return Of The Mack**'. The collection is then brought up to date with some of the biggest artists of the last decade including **Rihanna, Alicia Keys, Kelis, Timbaland** and **Ne-Yo** with his debut No. 1 '**So Sick**'.
